This Agreement is entered into effective July 1, 2018, by and between the Copper Country Intermediate Board of Education, hereinafter called the "Employer," and the Copper Country Intermediate School District Support Personnel Association, hereinafter called "Copper Country Education Association" or "The Union," through its local affiliates.

ARTICLE 1

- A. The Employer hereby recognizes the Union as the sole and exclusive collective bargaining agent as defined in Section II of Act 336, Public Acts of 1947, as amended, for all employees who are within the appropriate bargaining unit described and defined as:

All full-time and part-time teacher aides, instructional aides, bus aides, printer, administrative secretaries, maintenance personnel, bus drivers, food service personnel, secretaries and pupil accounting auditors, employed by the Copper Country Intermediate School District, but excluding professional, executive secretaries, supervisory, substitutes, and all other employees.

(Clerical positions included in this bargaining unit and this contract shall be further defined as follows: Secretaries are secretarial staff who are not assigned to work directly for administrators in the District; Administrative Secretaries are those who are assigned to work directly for administrators; and Pupil Accounting Auditors are secretarial staff who perform the additional function of pupil accounting/attendance audits and related duties.

Executive Secretaries, who are excluded from the bargaining unit and this contract, but referenced herein, are defined as secretarial staff who provide assistance to the Board and/or administrators who formulate management policies, including policies pertaining to labor relations.)

- B. Unless otherwise indicated, the term "Employee," when used hereinafter in this Agreement, shall refer to all members of the above-defined bargaining unit, and references to one gender shall include the other.

ARTICLE 2

DISTRICT RIGHTS

The District retains all rights, powers and authority vested in it by the laws and constitution of Michigan and the United States. All policies of the Board of Education on behalf of the District as stated in Board of Education Policies, Board of Education minutes, or as set forth in any manner whatsoever, or powers which heretofore have been properly exercised by it, shall remain unaffected by this Agreement and in full force and effect, unless and until changed by the Board. Not by way of limitation, but by way of addition, the Board reserves unto itself all rights, powers and privileges inherent in it or conferred upon it from any source whatsoever, provided, however, that all of the foregoing, being manifestly recognized and intended to convey complete power in the Board, shall nonetheless be limited, but only as specifically limited by express provisions of this Agreement and under Act 379 of the Michigan Public Acts of 1965. The Board rights shall include by way of illustration and not by way of limitation, the right to:

1. Manage and control the school's business, the equipment, the operations, and to direct the working forces and affairs of the Employer.
2. Continue its right and past practice of assignment and direction of work of all of its personnel; determine the number of shifts and hours of work and starting times and scheduling of all the foregoing, but not in conflict with the specific provisions of this Agreement; and the right to establish, modify or change any work or business hours or days.
3. The right to direct the working forces, including the right to hire, promote, suspend and discharge employees, transfer employees, assign work or extra duties to employees, determine the size of the work force and to lay off employees.
4. Determine the services, supplies and equipment necessary to continue its operations; and to determine the methods, schedules and standards of operation, the means, methods, and processes of carrying on the work, including automation thereof or changes therein, the institution of new and/or improved methods or changes therein.
5. Adopt reasonable rules and regulations.
6. Determine the qualifications of employees.
7. Determine the location or relocation of its facilities, including the establishment or relocations of new schools, buildings, departments, divisions or subdivisions thereof and the relocation or closing of offices, departments, divisions or subdi-

visions, buildings or other facilities.

8. Determine the placement of operations, services, maintenance or distribution of work, and the source of materials and supplies.
9. Determine the financial policies, including all accounting procedures, and all matters pertaining to public relations.
10. Determine the size of the management organization, its functions, authority, amount of supervision and table of organization, provided that the Employer shall not abridge any rights from employees as specifically provided for in this Agreement.
11. Determine the policy affecting the selection or training of employees, providing such selection shall be based upon lawful criteria.

ARTICLE 3

UNION RIGHTS AND SECURITY

Section 1. Special Conferences

Special conferences for important matters will be arranged between the Union President and the designated representative of the Employer upon the request of either party. Such meetings shall be between at least two representatives of the Union and two representatives of the Employer. Special Conferences shall be arranged at a time mutually agreeable to both parties.

Section 2. Bulletin Boards and School Mails

The Union shall be provided with bulletin boards in the Learning Center and the main office for the exclusive purpose of posting Union materials. The Union shall also have the right to use the interschool mails to distribute Union material.

Section 3. Use of Facilities and Equipment

The Union shall have the right to use school facilities for meetings, and school equipment, including typewriters, mimeograph machines, other duplicating equipment, calculating machines, and all types of audiovisual equipment, when such equipment is not otherwise in use. The Union shall pay for the cost of all materials and supplies incident to such use and shall be responsible for any damage incurred through such use.

Section 4. State and National Union Representatives

Duly authorized representatives of the State and National levels of the Union shall be permitted to transact official Union business on school property, provided that this shall not interfere with nor interrupt normal school operations.

Section 5. Union Representation

Employees shall be represented by Union Stewards, or in the absence of the regular Steward, by an Alternate Steward. Both Stewards and Alternative Stewards shall be regular employees of the bargaining unit. The Union shall furnish, in writing, to the Employer, the names of Stewards and Alternate Stewards upon their election or appointment. The stewards, during working hours, without loss of time or pay, may investigate and present grievances to the Employer, provided that it is so urgent that it cannot be done outside of working hours. The Employer shall not suffer loss of the employee's time under this provision.

Section 6.

The Employer agrees to furnish to the Union, in response to requests, all available information concerning the financial resources of the District and all other public material necessary to collective bargaining and contract administration.

Section 7. Bargaining Unit Work

- A. The Board will notify the Union immediately upon amending any job description(s) or duties thereunder, or qualifications thereof. The Union may, at its option, request a special conference to discuss with the Employer any such changes or amendments in job duties or descriptions. Job descriptions shall be modified to reflect that employees shall be assigned "related duties" as opposed to "other assigned matters."
- B. The Board agrees not to displace unit employees with employees paid through any funded programs where such displacement is in violation of the provisions of the program.

ARTICLE 4

PARAPRO EVALUATIONS

A. Monitoring

The Special Education Director or Special Education Supervisor will conduct all formal monitoring or observation work of each bargaining unit member in person and with the full knowledge of the bargaining unit member. The bargaining unit member shall be informed of a formal observation at least twenty four (24) hours in advance.

B. Observation

Bargaining unit member evaluations shall include observations of bargaining unit member's work. Formal observations shall be for periods of time that accurately sample the bargaining unit member's work. A bargaining unit member may be subject to two (2) drop in observations per year. Drop in observations need no advanced notice to the bargaining unit member and may last up to ten (10) minutes in duration per observation.

Each bargaining unit member, upon his/her employment or at the beginning of the work year, whichever is later, shall be appraised of the specific criteria upon which he/she will be evaluated, including job related skills, personal skills and other relevant factors as agreed to by the Administration and the employee. Work outside of the bargaining unit member's normally assigned duties shall not be evaluated.

C. The formal evaluation will be completed prior to the end of the school year. If the bargaining unit member disagrees with the evaluation he/she may submit a written response which shall be attached to the file copy of the evaluation.

If a supervisor believes a bargaining unit member is doing unacceptable work, the reasons therefore shall be set forth in specific terms. The Supervisor and the bargaining unit member shall develop an employee improvement plan. The bargaining unit member may request union representation when meeting with the Supervisor to develop the employee improvement plan. The improvement plan shall stipulate the specific areas of needed improvement, how improvement shall be measured, how achievement shall be recorded, timelines for attaining the desired achievement, and the assistance to be given by the Supervisor towards that improvement.

D. Following each formal evaluation, which shall include a conference with the evaluator, the bargaining unit member shall sign and be given a copy of the evaluation report prepared by the evaluator. The bargaining unit member may request union representation

at the conference. In no case shall the bargaining unit member's signature be construed to mean that he/she necessarily agrees with the contents of the evaluation. A bargaining unit member may submit additional comments to the written evaluation if he/she so desires. All written evaluations are to be placed in the bargaining unit member's confidential personnel file.

At the completion of the probationary period, an evaluation of the bargaining unit member's work shall be completed, following the procedures of this provision.

- E. It is recognized that the input of the classroom teacher may be a valuable informational gathering tool in evaluations. However, no evaluation shall be made solely based upon the classroom teacher's input.

ARTICLE 5

EMPLOYEE RIGHTS AND PROTECTION

Section 1. Discipline

- A. No employee shall be disciplined, including warnings, reprimands, suspensions and discharges, without just cause, provided that probationary employees shall be excluded from the provisions of this Article. Such discipline shall be subject to the grievance procedure hereinafter set forth. The specific grounds forming the basis for disciplinary action shall be made available to the employee and Union in writing.
- B. An employee shall be entitled to have present a representative of the Union during any meeting which may lead to disciplinary action. When a request for such representation is made, no action shall be taken with respect to the employee until such representative of the Union is present. Should disciplinary action likely occur at a given meeting, the employee shall be advised immediately of said possibility and be advised by the Employer of the right to representation under this provision of the Agreement.
- C. Nothing in this Article shall be construed to deprive any individual employee at any time of the right to present grievances to the Employer and have the grievances adjusted, without the intervention of the bargaining representative, if the adjustment is not inconsistent with the terms of this Agreement, provided that the Bargaining Representative has been given opportunity to be present at such adjustment.

Section 2. Files and Records

- A. An employee will have the right to review the contents of all records, excluding initial references, of the district pertaining to said employee originating after initial employment, and to have a representative of the Union accompany him/her in such review.
- B. No material, including but not limited to student, parental, or school personnel complaints, originating after initial employment will be placed in an employee's personnel file unless the employee has had an opportunity to review the material. Complaints against the employee shall be in writing with names of the complainants, administrative action taken, and remedy clearly stated. The employee may submit a written notation regarding any material, including complaints, and the same shall be attached to the file copy of the material in question. Such notation shall be understood to indicate awareness of the material.

ARTICLE 6

GRIEVANCE PROCEDURE

- A. A grievance shall be defined as an alleged violation of the expressed terms and conditions of this contract. The following matters shall not be the basis of any grievances filed under the procedure outlined in this Article.
1. The termination of services of any probationary employee.
 2. Any matter involving evaluation.
 3. Any matter for which there is recourse under State or Federal statutes.
- B. Written grievances shall be filed on the attached grievance form in Appendix C (or a copy thereof). Any written grievance not submitted in accordance with this requirement may be rejected as improper. Such a rejection shall not extend the limitations hereinafter set forth.
- C. Hearing Levels

Informal Level: When a cause for complaint occurs, the affected employee(s) shall request a meeting with his/her immediate supervisor within ten (10) work days from the date of the alleged occurrence of the event or from the time the employee should have had knowledge thereof. In any event, any grievance not submitted within sixty (60) days of the occurrence of the event upon which it is based shall be invalid and not accepted. The Union may be notified and a representative thereof present with the employee at such meeting. If the employee is not satisfied with the result(s) of the meeting, he/she may formalize the complaint in writing as provided hereunder.

Formal Level 1: If a complaint is not resolved in a conference between the affected employee(s) and his/her immediate supervisor, the complaint may be formalized as a grievance. It shall be submitted, in writing, within five (5) work days of the meeting with the supervisor and the employee. A copy of the grievance shall be sent to the Union and the immediate supervisor. The immediate supervisor shall, within five (5) work days of the receipt of the grievance, render a written decision. A copy of this decision shall be forwarded to the grievant and the Union.

Formal Level 2: If the grievant and the Union are not satisfied with the disposition of the grievance at Level 1, or if no disposition has been made within five (5) work days of receipt of the grievance, the grievance shall be transmitted to the Superintendent or designee. Within seven (7) work days after the grievance has been submitted to the

Superintendent, the Superintendent or designee shall meet with the Union on the grievance. The Superintendent or designee, within five (5) work days after the conclusion of the meeting, shall render his/her written decision thereon, with copies to the Union and the grievant(s).

Level 3. If no decision is rendered within five (5) work days of the discussion, or if the decision is unsatisfactory to the grievant and the Union, the grievant shall within five (5) work days appeal same to the Board of Education by filing such written grievance along with the decision of the Superintendent with the officer of the Board in charge of drawing up the Agenda for the Board's next regularly scheduled Board meeting.

Upon proper application as specified in Level Two, the Board shall allow the employee or his Union representative an opportunity to be heard at the meeting for which the grievance was scheduled. Within ten (10) work days from the hearing of the grievance, the Board shall render its decision in writing. The Board may hold future hearings therein or otherwise investigate the grievance provided, however, that in no event except with the express written consent of the Union, shall final determination of the grievance be made by the Board more than ten (10) work days after the initial hearing.

Level 4: If the grievance is not resolved to Union's satisfaction, the Union may appeal the grievance by notifying the Board of its intent to pursue the grievance with the American Arbitration Association in accordance with its rules within ten (10) work days of the Board's disposition of said grievance. No individual employee shall have the right to pursue a grievance to arbitration under this clause without the approval of the Union in writing.

A grievance may be withdrawn at any time without prejudice by the grievant and the Association.

There shall be no appeal from any arbitrator's decision. Each such decision shall be final and binding on the Association, its members, the employee or employees involved, and the Employer. The arbitrator shall make a judgment based on the express terms of this Agreement, and shall have no authority to add to or subtract from any of the terms of this Agreement. Their authority shall be limited to deciding whether a specific article or section of this Agreement has been violated.

The expenses for the arbitrator shall be shared equally between the Employer and the Association.

Upon mutual agreement between the parties, time limits at any step of the grievance procedure may be extended.

- D. For the purpose of assisting an employee or the Union in the prosecution or defense of any contractual, administrative, or legal proceeding, including, but not limited to grievances, the Employer shall permit an employee and/or a Union representative access to and the right to inspect and acquire copies of his/her personnel file and any other files or records of the Employer which pertain to the employee or any issue in the proceeding in question. Confidential letters of reference secured from sources outside the school system shall be excluded from inspection.

- C. The normal work day shall consist of eight (8) hours per day, with the understanding that certain classifications are hired for less than eight (8) hours per day. - F. Overtime shall be divided among employees in the Intermediate School District based on seniority.
 - 1. Overtime shall first be offered to the employee within the affected department who is qualified to do the activity having the greatest departmental seniority. If all employees within the affected department refuse the overtime, the least senior employee in the affected department who is qualified to perform the work may then be required by the Employer to perform the overtime work.
- G. When the Copper Country Intermediate School District closes pursuant to Michigan law because a health or safety hazard exists to the students, all employees will be released and paid for the remainder of their scheduled work day. The School District, however, reserves the right to call out maintenance personnel in accordance with normal call-out procedures.

Time lost due to inclement weather beyond 30 hours and usable personal days will not be compensated for.
- Full-time employees who are unable to report to work because of road conditions, etc., will be permitted to make up the work time. Personal leave or vacation time could be used on these days with appropriate administrative approval.

- B. All vacancies shall be posted in a conspicuous place in each building owned by the District for a period of seven (7) working days. A copy of all summer postings shall be mailed to the Association's President during the summer months. Said posting shall contain the following information:
 - 1. Type of work
 - 2. Location of work
 - 3. Starting date

Interested employees may apply in writing listing their qualifications to the Superintendent or designee within the seven (7) day posting period.

The employee shall receive for a sixty (60) day period the salary he/she was receiving before the transfer occurred. At the completion of the sixty (60) day period, the employee shall receive a salary commensurate with the new position.

In the event that more than one individual has the same starting date of work, position on the seniority list shall be determined by casting lots.

- A. Layoff shall be defined as a necessary reduction in the work force beyond normal attrition due to economic needs of the District, or decrease of work.
- B. No employee shall be laid off pursuant to a necessary reduction in the work force unless said employee shall have been notified of said layoff at least ten (10) work days prior to the effective day of the layoff.
- C. In the event of a necessary reduction in work force, the Employer shall first lay off probationary employees, then the least senior employees within the affected department, provided there are more senior employees qualified to do the remaining work. In no case shall a new employee be employed by the Employer while there are laid off employees who are qualified for a vacant or newly-created position.
- D. Employees whose positions have been eliminated due to reduction in work force or who have been affected by a layoff shall have the right to assume a position for which they are qualified, which is held by the least senior employee.
- E. In the event of a reduction in the work hours in a department, an employee may claim seniority over another employee for the purpose of maintaining his/her normal work schedule, provided he/she has greater departmental seniority than the employee he/she seeks to replace. Notice of a reduction in hours shall be provided ten (10) work days prior to the effective date of such reduction.
- F. A laid-off employee shall upon application, and at his/her option, be granted priority status on the substitute list according to his/her seniority. The Employer may fill the position on a temporary basis until the recalled employee can report for work providing the employee reports within the ten (10) day period. Employees recalled to work for which they are qualified are obligated to take said work. An employee who declines recall to perform work for which he/she is qualified shall forfeit his/her recall rights.

The purpose of the list is to fill bus aide assignments when regularly assigned bus aides are absent. Two individuals will be on the list for each specific week, with one as primary substitute and the other as a backup if the first is unavailable. Employees who were originally hired by the District as bus aides will automatically be placed on the list. Those who were not originally hired as bus aides may volunteer to be on the list, but must state their intent two weeks before school starts. Once all possible "on call" employees have been determined, a master schedule for the entire school year will be created on a rotating basis, with assignments to be distributed as evenly as possible between those on the list. In an extreme emergency when more than two regularly scheduled bus aides are absent and/or scheduled "on call" substitutes are unavailable to fill the assignments, the District reserves the right to assign any individuals who were originally hired as bus aides as needed. Employees will be able to swap assignments with mutual consent.

PAID LEAVE

A. Illness and Disability

1. At the beginning of each work month each employee shall be credited with one (1) day of sick leave, the unused portion of which shall accumulate to a maximum of one hundred seventy (170) days. The term "immediate family" as used in this section shall mean the employee's spouse, parents, grandparents, children, brothers, or sisters. Additional days may be granted by the Superintendent in cases of emergency.

 - f. One-half of all unused sick leave days will be paid upon retirement of employment with the Employer; or upon death of an employee, one-half of all unused sick leave days will be paid at the prevailing rate to the employee's beneficiary, up to a maximum of Seven Thousand Five Hundred (\$7,500) Dollars. An employee, while on paid sick leave, will be deemed to be on continued employment for the purpose of computing benefits referred to in this Agreement.

B. Jury Duty
