## MEMO

**TO:** Employees, Parents, Students and Other Interested Persons  
**FROM:** Ed Semmens  
**DATE:** August 26, 2021  
**RE:** **AHERA NOTIFICATION**

This notice is to provide a periodic update on the status of asbestos containing material (ACM) in all school buildings operated by the district as required by the Asbestos Hazard Emergency Response Act (AHERA).

### **Periodic Surveillance:**

Monitoring of all facilities is done at six-month intervals to determine if there are any changes in the ACM. All facilities were up-to-date as of our last check in July of 2021.

### **Re-Inspection:**

Re-inspections are conducted on a three-year cycle. Re-inspections were completed in July 1992, July 1995, July 1998, July 2001, July 2004, August 2007, July 2010, July 2013, August 2015 (completed early), August 2018, July 28, 2021.

### **Planned Response Actions:**

None are necessary or planned. Will monitor on a six-month basis and maintain as needed.

*Reports and management plans are available for review from Ed Semmens at the Copper Country Intermediate School District Service Center/Learning Center at 809 Hecla Street in Hancock.*
